3. In order that the revised DCID 1/2 Attachment can be available to Defense Department agencies for use in preparation of the Intelligence Annex to the JSOP, I am requesting that the Task Group submit the revised Attachment to the USIB by no later than the first week of February.

Because of the tight deadline involved, this will mean that the Attachment for the 1977-1981 period will essentially be an update of the existing Attachment revised, as feasible, to improve the interface between the objectives for the Intelligence Community for Fiscal Year 1976, the KIQs for FY 1976, and the Perspectives for Intelligence 1976-1981.

5. Upon completion of the Attachment update, I am requesting that the Task Group review the existing structure
